The Committee: The Story of the 1976 Union Drive at the New Yorker Magazine

By Daniel Menaker

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. In 1976, following years of harsh cutbacks to salaries and benefits at the New Yorker, editorial workers the fact-checkers, copy editors, and other paraliteraries finally took a stand and began a drive to unionize the storied magazine. But strong-willed longtime editor William Shawn s fierce resistance to unionization kicked off a stalemate between management and their subordinates. Daniel Menaker, author of the acclaimed *My Mistake* and former fiction editor of the *New Yorker* and executive editor in chief of Random House, documents that conflict through humorous personal recollections and previously unpublished letters by Shawn himself, providing a revelatory window into the mind of one of the great editors of our time. *The Committee*, which previously appeared in *n+1*, is a story of hypocrisy, outrage, courage, cowardice, and dental benefits all within the offices of the world s greatest magazine.
