Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

ANGEL SEED

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.An ancient compass, carved by a master s hand from the first century, finds its way to the jungles of Guatemala, carried in secret by a Jesuit priest who shares it with his lover, a Mayan queen. Now after being buried for years in the ruins of a Mayan village it resurfaces, and it just may be the only existing testament from the man known as Jesus. Ashera Sandriene is an anthropologist, born in Provence to a mother who disappeared mysteriously when she was only a child, and raised in New York by her father, whose success as an artist seems to be tied to a mysterious group of twelve men known as the Consensus. Her husband, Gunter Burbank, the head of an international pharmaceutical firm, wants the secrets of the compass for his research into what he calls the immortal gene. He is opposed in his search by the leader of the Consensus, a Southern evangelical minister who wants the compass for his own purposes. On the eve of Gunter and Ashera s 20-year anniversary party a mysterious man appears and tells her that he is in the lineage, or as he calls it the seed of the man who made the compass. Together they go on a spiritual journey to a seed community in Guatemala, through ancient caves that preserve the history of the world, and into another dimension called the Third State where she meets her mother, and her mother s angel, Mitra. What she discovers there may be the key to the future for humankind. This story arcs from 31A.D. to the end of the Mayan calendar, December 21st 2012. As the end of...
