Twenty-first century s nightly news can t pass by without running another story on religious conflict or clashes. While these modern-day battles play out for the world to see, the issues that act as a catalyst for them are deeply embedded in ancient texts that claim to contain absolute certainties. An eye-opening and vitally-important new book has burst upon the literary scene called Allah, Jesus, and Yahweh: The Gods That Failed. The author, Gordon Harrison, conducts a definitive exposé of the ravages caused by religion and breaks new ground in the world of investigative literature. In this riveting history of three of the world s major religions-Islam, Christianity, and Judaism-this book explores the relationship between belief and the suspension of logic with its consequential suffering. Beginning with the September 480 BCE Battle of Marathon, the author traces the spread of Eastern belief systems (and the three major religions in particular) from the Middle East into Europe and the rest of the world. Citing examples of how fanatic elements of each faith have caused war, bloodshed, confusion and suffering, Harrison makes his case for reason and freethinking. As the author notes the parlance in vogue for this present invasion is a clash of civilizations-East versus West! But this is not entirely the case. There is a clash, but we have confused the combatants. Many in the West do not intend to fight for the preservation of Christianity; some in the East feel the same about Islam. What we will defend is freedom, democracy, and the values of the Enlightenment versus submission, dictatorship, and the buzz of the hive mind. A colossal clash of ideals is underway between the...
