## NCLEX EXAM PREP: PASSING STRATEGIES

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The NCLEX exam preparation is the product of several methodologies and the eclectic combination of these to create a new approach for NCLEX exam. It offers an introduction and explanation of the content and organization of the NCLEX exam and the purpose of the NCLEX plan as designed and reviewed by the NCSBN. All exam takers must understand the NCLEX plan and purpose. With that in mind, this manual approaches each question applying analytical thinking, like the NCLEX plan creators do; that is, to tackle each question keeping in mind two essential concepts; these being safe and effective intervention, the core guidelines of nursing intervention. Additionally, this manual centers on the rationalization of each answer by identifying in each question the nursing process. This rationalization lead exam takers to place themselves in a virtual intervention scenario before they a select the most reasonable or most correct answer. Each answer must be selected considering the core elements inherent in all nursing interventions, safety and effectiveness. The fundamental approach of this manual is to instruct the exam taker in test taking techniques that enhance their passing score; this includes understanding the role of the mathematical probability of educated guessing, analytical elimination of wrong answers by attention to the clinical language used in each question, as part of the general strategies needed to master the exam. The association of each question to the nursing intervention process is a must; whether that may be assessment, planning, implementation and evaluation. This approach will guide the exam taker about the priority of intervention and the delegation as needed. Basic to the exam taker is the attention to clinical values which are carefully hidden throughout...
