An Unbelievable Journey Begins. At thirty-two years old, police officer Kane Lorusso has just been diagnosed with a strange terminal heart condition, which means with the healthcare industry in shambles, he has no hope of receiving a transplant and his days are numbered. He will never play ball with his son or get to see his daughter married. That's it, he thinks as his wife bows her head in silent meditation. Pray to the God who disabled me. Little does he know that God is far from finished with him. On a cool, April morning, the world violently comes to an end in a fury of disease, war, and nuclear destruction. Kane, a bitter agnostic, is torn to his foundation by the realization that the God of the universe has preserved him for a reason. Testing a new-found faith, he must forge alliances with the other chosen: Molly, a young mute; Courtland, an aging professional athlete; and a mysterious Native American boy and his wolf-like companion. Far outnumbered, they are preyed upon by ghoulish, cannibalistic mutants and pursued by a merciless gang of bandits led by a vicious psychopath named Malak, who demented by an unimaginably sinister power, will stop at nothing to see Kane and his friends dead. Kane finds that the road to redemption is paved equally with terror and hope as he struggles to fulfill God's purpose and become the man both Heaven and Earth need him to be. \*\*One hundred percent of the profits from every physical and digital book sold in the Action of Purpose series will go toward combating the epidemic of sex trafficking in the...
