Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 74 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. COHERENT PICTURES OF REALITY is indeed an important and empowering piece of work, best suited for an identified (90) ninety percent general readership because of relevance, seen on the Google Book search, cited by authored reference, Library of Congress. It is both a motivational tool and a PSYCHOLOGICAL TEXTBOOK narrated in poetical verses, whose type and contextual classification from inception in 1989 was conduct of life. In both 2008 and 2012 when reprinted, it was enhanced with the acceptable description of social aspects and therapeutic use, making it a critical tool in both social and emotional development. First complied in 1977 but published in 1989, it received a (5) five star rating from the United States LIBRARY OF CONGRESS. It awakens in all, sober thinking, moral determination and spiritual intuition, regardless of individual status. It brings therapeutic, emotional, psychological, spiritual and intellectual benefits to everyone, whether old or young, educated or illiterate, once one peruses its contents. None reading this text with the understanding required would refuse to strengthen or expand its verses; or would ever reverse to the previous state...
