How can churches best equip families to disciple their children?Family ministry expert Dr. Timothy Paul Jones gives church leaders a practical plan to equip parents to be the primary faith trainers in their children s lives, moving beyond mere programming into genuine spiritual transformation.This resource is for leaders in the trenches--those who: -see parents disengaging from their children s spiritual development, -see too many students leave for college and drop out of church, or -are frustrated with programmed ministries that fail to produce results. Based on solid research, this field guide unpacks how real-life churches can narrow the gap between present reality and the biblical ideal of faith-nurturing families.
