Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A controversial and yet inspirational book - a comparison of the teachings of Jesus to traditional Christianity. This book systematically dismantles the traditional Christian model of Jesus as the only Son of God, presents new research on how Jesus performed miracles (consistent with modern day quantum physics) and details the first accurate rendition of the crucifixion in print. This travesty paved the way for the Roman Greco strain of Christianity, known today as the Catholic Church, to become dominant and yet distorted version of the life and teachings...
