

The Human Touch: Our Part in the Creation of a Universe

By Michael Frayn

FABER FABER, United Kingdom, 2007. Paperback. Book Condition: New. 196 x 126 mm. Language: English . Brand New Book. What would that universe be like if human beings were not here to observe it? Would there be still be numbers, or scientific laws? Would the universe even be vast, without our tininess to give it scale? The author of award winning novels (such as Spies), plays (Copenhagen and Noises Off) and films (Clockwise) here produces his first work of non-fiction, one which explores all of the ideas behind his brilliant, funny and hugely popular work.
