

# Discourse, Tools and Reasoning

By Resnick, Lauren B. / Säljö, Roger

Book Condition: New. Publisher/Verlag: Springer, Berlin | Essays on Situated Cognition | Proceedings of the NATO Advanced Research Workshop on Discourse, Tools, and Reasoning: Situated Cognition and Technologically Supported Environments, held in Lucca (Il Ciocco), Italy, November 2-7, 1993 | Not long ago, projections of how office technologies would revolutionize the production of documents in a high-tech future carried many promises. The paperless office and the seamless and problem-free sharing of texts and other work materials among co-workers were just around the corner, we were told. To anyone who has been involved in putting together a volume of the present kind, such forecasts will be met with considerable skepticism, if not outright distrust. The diskette, the email, the fax, the net, and all the other forms of communication that are now around are powerful assets, but they do not in any way reduce the flow of paper or the complexity of coordinating activities involved in producing an artifact such as a book. Instead, the reverse seems to be true. Obviously, the use of such tools requires considerable skill at the center of coordination, to borrow an expression from a chapter in this volume. As editors, we have been fortunate to have Ms....
