Orient BlackSwan, New Delhi, India, 2011. Softcover. Book Condition: New. Dubai has transformed itself from an obscure Gulf emirate into a global centre for business, tourism, and luxury living. It is a fascinating case study in light-speed urban development, hyper-consumerism, massive immigration, and vertiginous inequality. Its rulers have succeeded in making Dubai into a worldwide brand, publicising its astonishing hotels and leisure opportunities while at the same time successfully downplaying its complex policies towards guest workers and suppression of dissent. Printed Pages: 256.
