This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

RoloPoloBookBlog Two years ago, Leigh Anne Davis shocked everyone in tiny Fairhope, Georgia when she broke up with her wealthy boyfriend to attend an Ivy League university a thousand miles away. At school, she finds a happiness and independence shes never known. Until one terrifying night takes it all away from her. With no place else to go, Leigh Anne heads home to reclaim her old life. A life she worked so hard to escape. On the outside, she seems like the same girl everyone has always known. But deep inside, shes hiding a terrible secret. Thats when she meets Knox Warner, a troubled newcomer to Fairhope. His eyes have the same haunted look she sees every day in the mirror, and when shes near him, the rest of the world fades away. But being with Knox would mean disappointing everyone all over again. If she wants to save whats left of her old life, she has no choice but to say goodbye to him forever. Only, the trouble with goodbye is that sometimes its about courage and sometimes its about fear. And sometimes youre too broken to know the difference until its too late. This is Book 1 of the Fairhope series. While each book can be read as a stand-alone, some characters interactions and events will be more meaningful if you follow this series from the beginning.
