

Free-Range Kids: How to Raise Safe, Self-Reliant Children (Without Going Nuts with Worry)

By Lenore Skenazy

Jossey-Bass. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.9in. x 5.9in. x 0.6in. FREE RANGE KIDS has become a national movement, sparked by the incredible response to Lenore Skenazy's piece about allowing her 9-year-old ride the subway alone in NYC. Parent groups argued about it, bloggers, blogged, spouses became uncivil with each other, and the media jumped all over it. A lot of parents today, Skenazy says, see no difference between letting their kids walk to school and letting them walk through a firing range. Any risk is seen as too much risk. But if you try to prevent every possible danger or difficult in your child's everyday life, that child never gets a chance to grow up. We parents have to realize that the greatest risk of all just might be trying to raise a child who never encounters choice or independence. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Extensive guide! It's such an excellent read. This can be for anyone who states that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.

-- **Melvin Hettinger**

This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book I have got through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
