How to Know if Your Prophecy is Really from God contains a wealth of wisdom on understanding how to receive genuine prophetic words and act on those genuine prophecies received. It also teaches that not everything prefaced by Thus says the Lord is a word from God. There are many are claiming to speak for God today. But, their words are void of power. This has resulted in a wasteland of words that did not come to pass. But, we dont need to miss out on the blessing of receiving genuine prophecy because some have spoken where they were not sent. To combat false andor inaccurate prophecies, we need genuine prophecy. Genuine prophecies are life-changing. Genuine prophecies heal and mend broken hearts and broken lives. Destinies and dreams are then fulfilled. One genuine prophecy will change your life forever. Discerning and receiving genuine prophecy is important. To identify genuine prophecies we need discernment and wisdom. God speaks. Prophets listen and speak the words of God. The prophets we receive determines the type of prophecies we receive. Learning to value and receive prophets is part of the process of receiving genuine prophecies. What we value we support. What we support we receive. Support false prophets and you will receive false prophecies. If we want genuine prophecy, then we need to support true prophets. I believe in the power of genuine prophecy. I have seen it work. It has changed my life. It will change your life. I have written this book and my series of books on prophets and prophecy for this purpose. This item ships from multiple locations.
