At Home With packs contain fun activity workbooks for children, aged 7-9 years, to do at home. Using different themes and a variety of progressive tasks such as filling in missing letters, punctuation and words, copying, and building sentences and descriptions, children develop key language skills in a fun and easy way. This pack includes workbooks on English, grammar, punctuation and French. The colour illustrations, highlighted words and step-by-step activities are age-appropriate for children to work through on their own, or equally perfect to do together with an adult giving encouragement. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This pack is ideal to build confidence in language at primary school.
