Teach children the basic visual skills of letter recognition, letter writing and sounds while teaching them scripture based on King James Bible. This book is a good foundation of combining early education at home with faith based education in a manner that sets a foundation of learning the presence of God in all aspects of life. It simplifies a parent's communication of God's word by using direct questions, while allowing the parent to explain God's word as it pertains to their family life. Building faith, family bonds and memories all while teaching your child the ABC's! Also the book is a great way to record those special moments you share so that you can create memories that will last a lifetime.
