

The Ice Bear's Cave

By Mark Haddon, David Axtell

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Ice Bear's Cave, Mark Haddon, David Axtell, A magical story from Mark Haddon, author of the phenomenally best-selling 'The Curious Incident of the Dog in the Night Time' When the children wake up one morning the air is silent and the room is full of soft blue light. "It's snowed!" says Alice. "It's like the North Pole!" It is the first big snowfall of the year and for Alice, Jess and Robin it means a day off school. They can't wait to put on their scarves and hats, woolly gloves and wellingtons and go out to dig, play and explore. But before they go Dad gives them a warning: "You might just come across the Ice Bear's cave." And so begins an icy adventure in which somewhere hidden under the deepest snowdrifts by the barn, sleeping and dreaming of Arctic skies and frozen seas, is the ICE BEAR!.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
 -- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
