

Chaucer and the Canterbury Tales : A Short Introduction

By John C. Hirsh

John Wiley and Sons Ltd, United Kingdom, 2002. Paperback. Book Condition: New. New.. 224 x 152 mm. Language: English . Brand New Book. Students with little or no prior knowledge of Chaucer, the Canterbury Tales, or the world in which they were produced, will welcome this lively and concise introduction. Not only does it paint a portrait of the poet against the background of his time, it also considers the major preoccupations of the tales, and provides students with a critical framework for thinking creatively about them. The author inspires students to engage with the tales from a variety of perspectives, setting traditional ways of reading them against other newer approaches. Avoiding the tale-by-tale analysis and focus on individual pilgrims common to old-fashioned introductions, he encourages students instead to consider readings which compare and contrast the tales, emphasizing socially constructed analyses. The book provides the ideal aid to understanding and appreciating Geoffrey Chaucer and his works.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
