Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

F.A. Davis Company, United States, 2010. Mixed media product. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book. Take a fresh, new approach to nursing fundamentals with a true multi-media learning experience that teaches students how to think, learn, and do while they make the connections each step of the way. From the text with its bonus CD-ROM through the companion Student Workbook to the wealth of e-learning resources online at DavisPlus, it meets the needs of today's students and today's courses. A practical, student-oriented focus helps them to master safe and effective nursing care by developing the critical thinking and problem solving skills they need to excel in clinical practice. Connection Boxes illustrate how to apply theory to practice in key areas: Clinicals; A Patient Teaching; Real World Nursing; People Places; Knowledge; Lab/Diagnoses; and, Delegation/Supervision. Full-color photographs and figures clearly illustrate anatomy and clinical procedures. Step-by-step procedures for over 120 skills make every concept easy to grasp. Post Conference boxes follow each skill, summarizing what you've learned and describing the possible reactions of both patient and nurse. Critical-thinking questions hone your skills and thought processes for clinical success. This title features: Learning Connection CD-ROM; IQ Question Bank - Over 300 NCLEX-style questions covering a variety of topics found in the book and on the NCLEX-PN exam; and, Auscultation Sounds - Almost 40 samples of heart, lung, and bowel sounds followed by quick quizzes for review.
