Real Truth Publications, United States, 2003. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In October 1987, 470 years almost to the day after the start of the Protestant Reformation, the Head of the Church publicly declared through the Spirit of prophecy the commencement of another restorational movement in the continuum of reformation by which the prophetic gifts and office would be restored to their proper place of function within the Church that Jesus is building. Since then, the winds of reformation have been blowing to bring fresh revelation and illumination concerning this previously neglected and greatly misunderstood area of Truth, stirring new interest in the prophetic office and gifts. Lay believers and church leaders alike are being moved by a Spirit-inspired hunger to become more knowledgeable of and activated in this powerful realm of the Spirit -- the prophetic realm. The Prophetic Gifts and Office, by Dr. Steven Lambert, a Prophet and Adjunct Professor, is the product of more than twenty-five years of exhaustive study, experience, and expertise in the operation of the prophetic gifts and office. It is a virtual encyclopedia of the prophetic realm, addressing a myriad of vital issues regarding the prophetic gifts and office, their function in the Church today, and the role of the prophetic in bringing about the purposes of God both now and in the days ahead. The manual is an excellent educational resource regarding the prophetic movement, gifts, and office, and is being used as a textbook for Bible college courses on the prophetic.
