Brand New Book ***** Print on Demand *****.Excerpt from Manual of Juvenile Laws This manual is intended as a reference book for everyone who may be interested in social and community, problems. It is hoped that the manual may be of service to citizenship classes, women s clubs, and various other groups and associations; also to those preparing for civil service examinations as well as to all social workers and others who have at heart civic and social welfare. This manual does not purport to contain every law but does contain all of the important ones pertaining to women and children. The topics of the manual are arranged alphabetically. A special effort has been made to make the index serviceable. If what is sought is not found under one heading the user of the manual should search the index under other headings.
